GRADUATE SCHOOL
Auburn University is one of the premier land-grant institutions in the United States, with an equal focus on teaching, research, and community outreach. Auburn is consistently ranked among the best public universities in the nation. As a top research institution with a Carnegie R1 classification, Auburn is among the nation’s elite. Auburn is also one of Kiplinger’s “100 Best Values in Public Colleges,” meaning we deliver the best for less. The university is located in Auburn, Alabama, which was recently selected by U.S. News and World Report as one of the top ten places to live in the U.S. The City of Auburn offers affordable housing options and an abundance of recreational activities while being conveniently located near urban areas.

Application Requirements
